

REMARKS

It is noted that on the face of the Office Action Summary that claims 3, 4, and 20 were indicated as being rejected. The body of the Office Action, however, does not mention or present any argument as to why those claims should be rejected. In a phone call with the Examiner on January 19, 2004, the Examiner indicated that those claims were allowable.

Claim 1 has been amended to incorporate the feature of claim 3 and claim 19 has been amended to incorporate the feature of claim 20. Therefore, it is believed that the claims are allowable (but for the obviousness type double patenting rejection, which is overcome by submission of a Terminal Disclaimer).

Applicants believe the present claims are allowable and respectfully request allowance of the application. Examiner is invited to contact the undersigned attorney at (312) 321-4276 to resolve any outstanding issues.

Respectfully submitted,
